Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **Eastvale Library and Innovation Center** in fiscal year 2026. The entity to receive funding for this project is the **City of Eastvale, located at 12740 58th St, Eastvale, CA 92880**. The funding would be used for moving the City's library to a larger space to accommodate for the growing resources and space the library needs. The project is an appropriate use of taxpayer funds because it would provide access to information and resources, supporting literacy and education, promoting lifelong learning, and serving as a community gathering space.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Norma J. Torres
