Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Ontario-Montclair School District School's Safer Schools Initiative in fiscal year 2025. The entity to receive funding for this project is Ontario-Montclair School District, located at 950 West D Street, Ontario, CA 91762.

The funding would be used for an integrated access control system security project. The project is an appropriate use of taxpayer funds because it will promote public safety and ensure K-8 schools, in collaboration with local law enforcement agencies, are best equipped for school safety infrastructure improvements.

The project has a Federal nexus because the funding provided is for purposes authorized by section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Norma J. Torres  
Member of Congress
