Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **Eastvale Police Station** in fiscal year 2025. The entity to receive funding for this project is the **City of Eastvale, located 12740 58th Street, Eastvale, CA 92880**. The funding would be used for the construction of the City's first Police Station. The project is an appropriate use of taxpayer funds because it will lead to faster response times, foster a sense of connection between law enforcement officers and local residents, provide additional community engagement programs, and allow residents to have easier access to law enforcement resources.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Norma J. Torres
