Dear Chairwoman Granger and Ranking Member DeLauro:

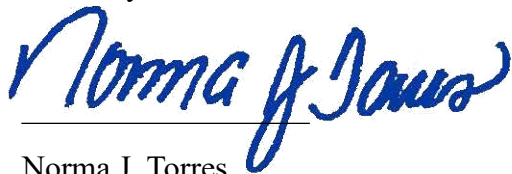

I am requesting funding Ontario Well-50 Ion Exchange Treatment Facility in fiscal year 2024. The entity to receive funding for this project is the City of Ontario, located at 303 East B Street, Ontario, CA 91764.

The funding would be used for a drinking water supply well. The project is an appropriate use of taxpayer funds because it would reestablish the use of an existing out-of-service drinking water supply well, enhancing local supply and reliability of less-expensive water, reducing reliance on imported water, and further utilizing existing groundwater rights.

The project has a Federal nexus because the funding provided is for purposes authorized in Section 219(f)(294) of the Water Resources Development Act of 1992.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Norma J. Torres  
Member of Congress
