Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the “Monte Vista Water District State Street Pipeline Replacement Project (Phase II)” project for fiscal year 2024.

The entity to receive funding for this project is the Monte Vista Water District located at 10575 Central Avenue, Montclair, CA. 91763.

The funding would be used to increase the reliability of their distribution system by replacing the failing pipeline, which is past its useful life. The project would be a valuable use of taxpayer funds because the new pipeline will eliminate leaks in this area which can cause damage to the roads and results in water loss that impacts water rates in the Inland Empire.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Norma J. Torres
