Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Eastvale Limonite Gap Closure Project in fiscal year 2024. The entity to receive funding for this project is the City of Eastvale located at 12363 Limonite Avenue, Suite 910, Eastvale, CA 91752.

The funding would be used for a divided four-lane facility. The project is an appropriate use of taxpayer funds because it would construct a divided four-lane facility with 11-foot travel lanes, extend bicycle and pedestrian facilities, construct a 320-foot bridge over Cucamonga Creek Channel, and provide a regional east-west connection from SR-71 to I-15.

The project has a Federal nexus because the funding provided is for purposes authorized in by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Norma J. Torres
Member of Congress
