Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Montclair Transcenter Facilities Enhancement Project in fiscal year 2024. The entity to receive funding for this project is the City of Montclair located at 5111 Benito Street, Montclair, CA 91763.

The funding would be used for improvements to public bus facilities. The project is an appropriate use of taxpayer funds because it would provide upgrades to existing bus facilities including new benches, trash bins, directional signage, a bicycle storage facility, and security and information center kiosk.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Norma J. Torres  
Member of Congress
