Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Rancho Cucamonga Local Circulator and Last Mile Transportation Project in fiscal year 2024. The entity to receive funding for this project is City of Rancho Cucamonga located at 10500 Civic Center Drive, Rancho Cucamonga, CA, 91730.

The funding would be used for a public shuttle service and e-bike program. The project is an appropriate use of taxpayer funds because it would develop and test a zero-emission multi-passenger shuttle service and e-bike program that connects Cucamonga Station with other regional transit connectors and key retail, dining, and residential locations in the Southeast quadrant of Rancho Cucamonga.

The project has a Federal nexus because the funding provided is for purposes authorized in chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Norma J. Torres  
Member of Congress
