Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **Los Serranos Flood Protection Project** in fiscal year 2025. The entity to receive funding for this project is the **City of Chino Hills, located at 15799 Monterey Avenue, Chino Hills, CA**. The funding would be used for constructing new storm drains and enhancing the sidewalks, curbs, and gutters to complement the new storm drain system.

The project is an appropriate use of taxpayer funds because it will provide the necessary flood protection by capturing storm water and discharging it into a new storm drain system. The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Norma J. Torres
Member of Congress
