Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the "STEM Symposium Expansion" project for fiscal year 2023.

The entity to receive funding for this project is the Ontario-Montclair School District, located at 950 West D Street, Ontario, CA 91762.

The funding would be used to expand and enhance the school district's current district-wide STEM Symposium into a community partnership that also includes the arts and other elements of technology, which would provide additional opportunities for students to learn about science, technology, engineering, art, and math.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Norma J. Torres".
