Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the **City of Montclair Transportation** project in the fiscal year 2025. The entity to receive funding for this project is the **City of Montclair located at 5091 Richton Street, Montclair, CA 91763.**

The funding would be used for upgrades to existing transit amenities including installation of new ticket kiosk booths, installation of an information center booth, new lighting, storage locker facilities, and trash receptacles. This project would complement the recent installation of a self-cleaning restroom that was installed by the City of Montclair in 2022.

The project is an appropriate use of taxpayer funds because it would provide additional transit amenities to the Montclair Transportation Center encouraging the use of public transportation.

The project has a federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

  
Norma J. Torres
