Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the "Pomona Groundwater Treatment R34" project for fiscal year 2023.

The entity to receive funding for this project is the Three Valleys Municipal Water District located at 1021 E Miramar Avenue, Claremont, CA 91711.

The funding would be used to reduce water costs for the residents of Pomona by reopening a well in the city and constructing groundwater treatment technology to ensure the water meets safe drinking water standards.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Norma J. Torres
Member of Congress
