Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **Chino Valley Innovation Center** in fiscal year 2026. The entity to receive funding for this project is the **City of Chino, located 13106 Central Avenue, Chino, CA 91710**. The funding would be used for the creation of a business center. The project is an appropriate use of taxpayer funds because it would serve as a catalyst for economic revival and entrepreneurial growth by empowering entrepreneurs with tools, mentorship, co-working spaces, and financial resources to transform visions into thriving businesses.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.”

Sincerely,

Norma J. Torres
