Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for City of Chino Hills Los Serranos Infrastructure Improvements in Fiscal Year 2027. The entity to receive funding for this project is the City of Chino Hills, located at 14000 City Center Drive, Chino Hills, California 91709.

The funding would be used to help construct new sidewalks; install ADA-compliant curb ramps; improve drainage and roadway definition; rehabilitate aging pavement; and install new streetlights. The project is an appropriate use of taxpayer funds because these infrastructure improvements would replace dirt paths with sidewalks, improve safety and accessibility, night visibility, and allow for better routes to nearby homes, schools, parks, and local businesses, especially for seniors, school-aged children, and those with disabilities.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Norma J. Torres  
Member of Congress
