Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for **Cypress Grove Supportive Housing** in fiscal year 2026. The entity to receive funding for this project is the **City of Fontana, located 8425 Cypress Ave. Fontana, CA 92335**. The funding would be used to design, develop, construct, and operate a 30-unit permanent supportive and affordable housing community on approximately 1 acre of city-owned property in Fontana. The project is an appropriate use of taxpayer funds because it will directly reduce homelessness in the City of Fontana based on data provided by the Department of Housing and Urban Development's Point-In-Time survey and reduces reliance on costly emergency services such as hospitals, prisons, and jails.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Norma J. Torres
