Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Montclair Transportation Center Modernization Project Phase Two in Fiscal Year 2027. The entity to receive funding for this project is the City of Montclair, located at 5111 Benito Street, Montclair, California 91763.

The funding would be used to help install new ticket kiosk booths, a centralized information center, enhanced safety lighting, and secure storage locker facilities. The project is a responsible use of taxpayer funds because it would help modernize the Montclair Transportation Center, a vital multi-modal hub for the region and help save long-term costs associated with maintaining an aging facility, prevent fare evasion, and protect the safety of thousands of daily commuters.

The project has a federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

  
Norma J. Torres  
Member of Congress
