Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Ontario International Airport International Arrivals Facility Modernization in Fiscal Year 2027. The entity to receive funding for this project is the Ontario International Airport Authority, located at 1923 E Avion St, Ontario CA 91761.

The funding would be used for the reconfiguration of interior spaces, the installation of an additional baggage carousel, and fire protection upgrades. The project is an appropriate use of taxpayer funds because it will provide critical infrastructure upgrades and help improve passenger processing and security at Ontario International Airport, which continues to grow.

The project has a federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Norma J. Torres
Member of Congress
