Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the **San Bernardino County for Prado Water Supply Project** in Fiscal Year 2027. The entity to receive funding for this project is San Bernardino County located at 385 N. Arrowhead Avenue, San Bernardino, California 92415.

The funding would be used to construct new storage tanks and pumps, replace aging and inefficient irrigation pumps, valves, and distribution lines at Prado Reservoir in my congressional district and improve the ability to maintain stable reservoir levels and water quality. The project would be an appropriate use of taxpayer funds as it will provide a dependable drinking water supply and improve operational reliability and the ability to maintain stable reservoir levels and water quality.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Norma J. Torres
Member of Congress
